

Castagneto

Garda

**Denominazione di Origine Controllata
CABERNET SAUVIGNON**

Complex and lively, with great body and roundness. It finds a particular interpretation on the morainic hills, where the typical fruitiness of Cabernet Sauvignon joins the freshness and minerality of the morainic soil, limiting its sometimes exuberant nature. The light cut with Franc gives it vegetal and balsamic notes, for a very interesting and varied result. Excellent ageing qualities.

GRAPES:

90% Cabernet sauvignon, 10% Cabernet Franc

WINE-GROWING AREA:

Mocasina

SOIL:

Moraine

TRELLISING SYSTEM:

Guyot

YIELD PER HECTARE:

80 q.li/ha

Technical notes:

Intense ruby red.

Full-bodied and structured, very decisive, deep, velvety and warm. Persistent and slightly savory with a licorice aftertaste.

Pairings:

Succulent red meats like Tagliata di Manzo (sliced grilled T-bone steak), Angus steaks.

Alcohol: 13% vol

Serving temperature: 16-18° C
